50X1-HUM

1. Agents of the MVD passing as simple workers have been assigned to observe the Bulgarian Communist Party since the Soviet authorities believe that too many followers of the late Georgi Dimitrov are now embracing Titoism.
2. Soviet troops covered as railroad workers have been assigned to the protection of Bulgarian rail lines; in event of necessity they can be used as troop reinforcements. Weapons specialists from the USSR, passing as munitions workers, will be used to enlarge and improve the Bulgarian armament industry.
3. The formation of a new Bulgarian Government is anticipated, in view of the purge presently underway. Negotiations with the Bulgarian Exarch to exercise greater influence on the peasantry will be undertaken; the cooperation of the Exarch to this end is said to be assured.
4. It is believed that Yugoslav partisans supporting the Cominform will shortly begin action against Tito. Armed Ukrainian "free volunteers" have reportedly entered Hungary and joined the "free nationalists".
5. A squadron of Soviet jet fighters has reportedly been stationed in the vicinity of Pecs.
6. Soviet military authorities have reportedly planned the construction of an underground "air field" just south of Cluj, which will accommodate the most modern jet fighters and bombers.
